From an idea to a foundation

It was the worst earthquake in 200 years. On January 12, 2010, seismic shocks with a strength of 7.2 brought chaos to Haiti. More than 250,000 people lost their lives and more than one million Haitians their homes.

The Works Councils in Attendorn, Daaden and Weissensee originally had the idea to donate money from its own fund to the victims of this catastrophe. Then, however, a plan was developed for the long-term and lasting support of a charity program financed by the employees and the Corporate Management. Already almost half a million euros have been made available by Mubea Germany for aid projects in Haiti. A portion of the donated money has also been used for aid projects at the individual German locations.

The 100-year company anniversary in 2016 is the starting point for the newly set-up „Mubea helps foundations“ in Germany and the US with a total foundation capital of € 1,000,000.

With the move towards an international „Mubea helps“ structure, we are expanding the original German idea for all Mubea locations in order to support together the following areas:

Support criteria - What do we want to fund?

SUPPORT OF PEOPLE IN NEED OF AID, WHO THROUGH NO FAULT OF THEIR OWN FIND THEMSELVES IN A CRISIS SITUATION

Help for families in difficulty or funding of non-profit organizations at the worldwide Mubea locations.

DEVELOPMENTAL AID

Funding of international developmental aid projects, in continuation and expansion of the original „Mubea helps“ project in Haiti. Where necessary in co-operation with worldwide non-profit aid organizations.

EDUCATION / TRAINING FOR CHILDREN AND YOUTHS

Worldwide funding of selected schools or specific education projects; support of non-profit organizations at the Mubea locations.

FUNDING OF PROJECTS

Suggestions for funding projects can be submitted without a form (e.g. by e-mail) by all Mubea employees around the world. The decision concerning the selection of potential funding projects will be taken by the foundation bodies. The basis is the relation to the support criteria and the feasibility with the available funds.

Donate and help

YOU WOULD LIKE TO SUPPORT US IN OUR ENDEAVORS? A GREAT IDEA!

If everyone made even a small donation, it would do a lot of good. As a one-off or regular - every donation counts and 100% goes into our funding projects.

For your donation please use the below mentioned donation account. If you need more information, please visit our homepage www.mubea.com/en/mubea-helps-foundation.

We can also provide a donation receipt if requested. Please contact mubea-hilft.stiftung@mubea.com.
